3D Tender

SAFE, FUN AND AFFORDABLE BOATING

Historically, owning a boat has been an expensive luxury that was reserved, almost exclusively, for the wealthy but not any more.

3D Tender specialise in the sale of quality boats ribs and inflatables at affordable prices that are easy to handle and above all exceptionally safe. Our fully configured craft meet the needs of the avid seafarer looking for a fast day fisher, dive boat, rescue or support, training boat, family cruiser, sports boat, beach hopper or tender without compromising on quality or safety.

affordable boats with quality in mind

QUALITY MANUFACTURE

Our RIBs and inflatables feature, non-return inflation valves, heavy duty PVC and quality fittings throughout. Of course all boats carry CE certification.

- Fully configured packages
- Full control of manufacturing process
- Complies to relevant ISO & Recreational Craft Directive
- Rigorous testing procedures
- Multiple package options
- Manufacturers warranty
- Superior buoyancy characteristics.
- Solid construction throughout

NOT ALL BOATS ARE THE SAME!

Here at 3D Tender, we pride ourselves on the quality of our boats. You can be sure that attention to detail is maintained throughout the manufacturing and after sales processes. This commitment means you can be sure that whichever 3D Tender craft you choose, it will give you years of happy memories.

With a breathtaking array of options and packages available across our range there is bound to be a 3D Tender that's perfect for you.

When you choose a 3D Tender you can be sure that peace of mind will be a given with a ready built unit, complete with trailer and engine that is ready for the water – all for a lot less than you might think!

THERE IS A 3D TENDER THAT IS JUST PERFECT FOR YOU!

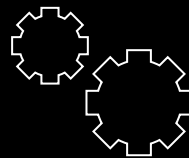

BESPOKE PACKAGES

What really sets us apart is the fact that we take the time to listen to our customers so that we can be sure that we understand the exact requirements. We want to be sure that you get complete satisfaction from whatever boat you opt for which is why taking the time to understand whether it is intended for use on rivers, lakes or at sea, how many people are likely to be onboard?

Questions like these help us ensure that we recommend suitable engine sizes and boat configurations meaning you get the boat you want and can be sure that it will meet the needs of your boating pleasure.

Our personal service, based on knowledge and understanding, is what sets 3D Tender apart.

CUSTOM SOLUTIONS

We have many of the more popular packages detailed on our website. However, if you have specific needs with your boat let us know. Making customer boat packages are our speciality - There is always a 3D Tender that just perfect for you!

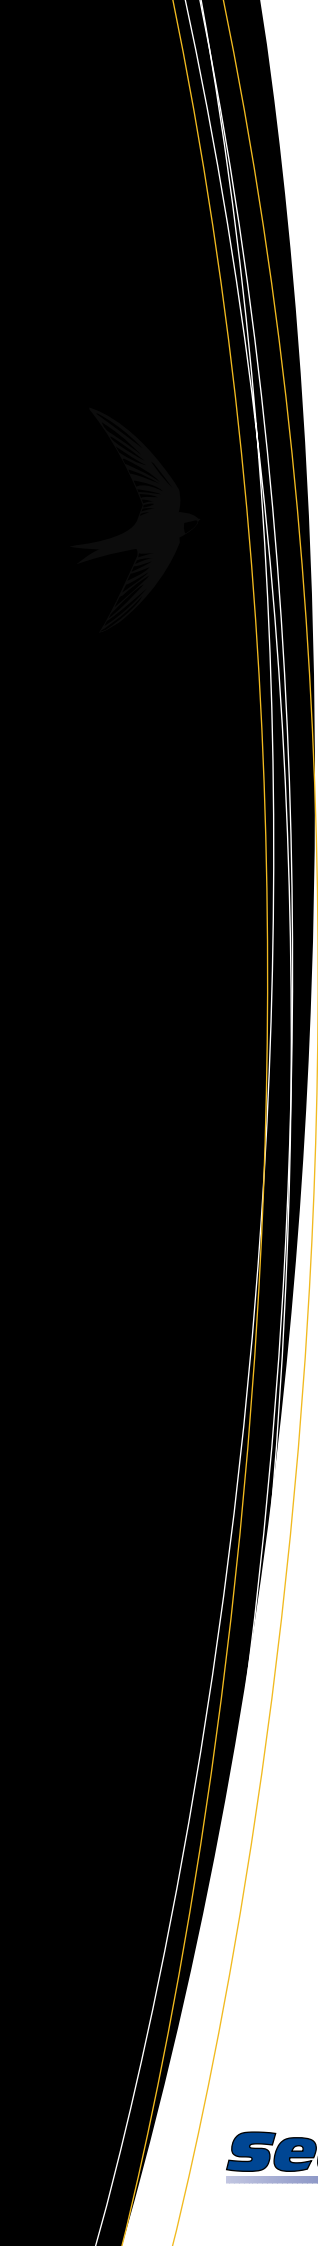

3D TENDER ONLINE

Our website at www.seaswift.co.uk always carries up-to-date information across our entire boat range, including latest news, events as well as any special offers that may be available. Be sure to bookmark us.

CUSTOMER SUPPORT

Here at 3D Tender we never forget that what makes a truly good company is its customers. Unlike other companies, buying a 3D Tender is not the end of the relationship but the beginning. We are here to help you get the most of your 3D Tender and share our passion for boating

WHY 3D TENDER? BOATS?

We set the standard for quality, style and affordability.

VERSATILITY

Whether you're looking for family fun or high speed performance, from novice or experienced, there's 3D Tender that's perfect for you. From a nippy little RIB to a stunning dive boat, the quality and value are obvious.

AFFORDABILITY

We specialise in the sale brokerage of quality boats, RIBs and inflatables at affordable prices. Our fully configured craft meet the needs of today's boating enthusiasts.

QUALITY

Advanced hull designs, and quality UK manufacturing techniques deliver high performance and stability.
