

XPRO RIB ALU 420/415/390

RIB'S
ALUMINIUM HULL

The XPRO RIB ALU are all made of thermo-welded or hot glued PVC and are also available in Hypalon fabric. The range of boat is ideal for those who need a strong, lightweight and maneuverable boat.

This range offers a solution for almost every need, from support to sailing clubs to fishing and water sports. Each model has an aluminum hull, double floor and a forward locker for storage of the nurse.

These boats allow a good cruising speed twith small engines and thus offer an important and not negligible fuel economy.

The XPRO RIB ALU 420 has a reinforced transom, to accommodate more powerful engines (up to 60 HP).The Jockey L console (C07) is adapted to this boat range.

SPECIFICATIONS

	420	415	390
Full lenght	4.20 m	4.15 m	3.90 m
Full lenght	2.93 m	2.89 m	2.72 m
Width	1.87 m	1.87 m	1.86 m
Interior width	0.89 m	0.89 m	0.86 m
Depth	1.00 m	1.00 m	1.00 m
